

Letters From The Library Learning Commons

Visiting Technology

This month we have 3 coding kits in from the LRC!

- Sphero Indi - now until Feb 14th
- Cubelets - now until Feb 28th
- Sphero Bolt - Feb 14th until April 11th

I would love to collaborate with you to introduce these to your classes. Check the [Visiting Technology](#) calendar to book a time or send me an email.

ADST - Building with Makedo

I've ordered in a Makedo Kit from the LRC to test out! Makedo is a simple to use, open-ended system of tools for creative cardboard construction. Build imaginative and useful creations from upcycled (repurposed) everyday cardboard. Let me know if you would like to try it out with your class!

TL SCHEDULE

Click the calendar to see when I'm available!

IMPORTANT DATES

BLACK HISTORY MONTH

FEB 1 - WORLD READ ALOUD DAY

FEB 2 - GROUNDHOG DAY

FEB 11 - WOMEN IN SCIENCE DAY

FEB 20 - FAMILY DAY

FEB 26 - TELL A FAIRY TALE DAY

World Read Aloud Day

Make sure to set aside some time to read aloud to your class on Feb 1st!

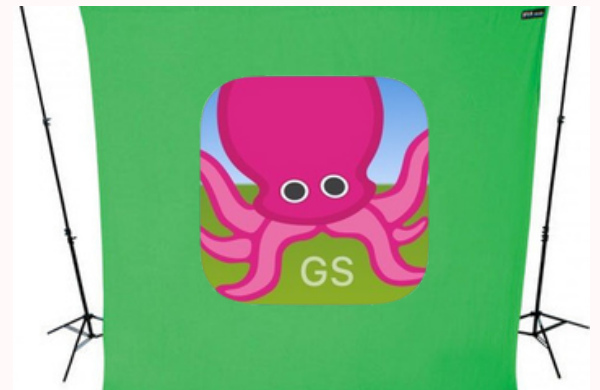

I'll be reading aloud a story for any students who want to join me during 2nd recess.

If you want to make it extra special, check out [Storyvoice Live](#) to watch authors and illustrators do live read alouds!

Green Screen and Dolnk

Did you know we have a green screen backdrop in the library? The district also pays for the app Dolnk which is a fantastic and easy to use greenscreen app. We can have it installed to the iPads if you are interested in using it for a project! I'm happy to collaborate!

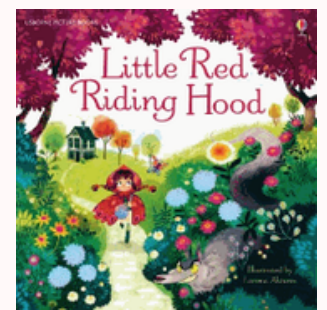

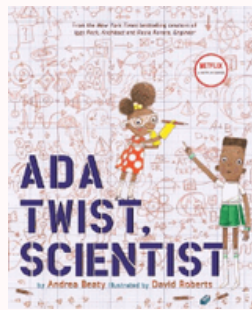

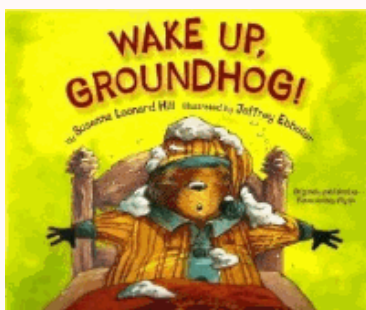

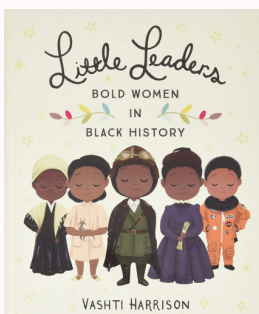

Click [HERE](#) for some project ideas, including: News reports, reader's theater, book talks, country projects, etc!

Books, Books, Books

If you need a book for your lesson or just for a fun read-aloud, we're happy to help you find what you need! Send us an email and we'll do our best to find something that suits your needs!

Also, if there are books that you'd really like us to add to the library collection, let us know and we'll see what we can do!
